# Focus on (1)ellness

We are finally seeing the beautiful signs of Spring and that means getting outside and enjoying the warming weather. Spending time in natural environments can improve your physical and mental health. Some ways we can enjoy these benefits:

- Walking in nature could improve your short-term memory
- Being outdoors has a destressing effect
- Spending time outdoors reduces inflammation & helps eliminate fatigue
- Outdoor experiences may help fight depression and anxiety
- Spending time outside lowers blood pressure

Please enjoy all of our outdoor walking paths and activities. Check your calendar for spring outings!

## A Note from the Executive Director

Summer is just around the corner and we cannot wait for more sunny days ahead. Our residents have already taken full advantage of our patio and have been out on the walking path. Thank you to everyone that came to our Mother's Day Brunch, it was a beautiful event.

On June 24<sup>th,</sup> from 2pm to 5pm, we are hosting a "CARNIVAL" themed party for all residents, coworkers and families. We will have a variety of food, live entertainment, a bounce house, games and much more! Please call the receptionist at 570-788-7555 by June 10<sup>th</sup> to RSVP. We hope to see everyone there!

Thank you to all residents, families, and staff for your continued support. Each of you is a valued part of our community. As always, I am available for any ideas or concerns.

Sincerely, Melissa Jacoby Executive Director
