Q4: November 2023

## A Note from the Executive Director

Greetings everyone -

October was a busy month! The flooring updates in the Terrace level make our Connections Neighborhood look even more beautiful. Plans and dates for the second and third floors are still being finalized but will be posted when available.

We had a flu vaccine clinic on October 12<sup>th</sup>. If you received the vaccine outside of Providence Place, please let us know so we can update your records. If you missed getting the vaccine and would still like to receive it, please contact the Nursing Office to coordinate.

Trick-or-treat was a success again this year. Thanks to everyone for participating with the visiting children. I do know several residents sampled the candy that day too, but we will just consider that 'quality control' ☺

As John F. Kennedy once said, "We must find time to stop and thank the people who make a difference in our lives." I encourage everyone to embrace the spirit of Thanksgiving this month. I appreciate the special people who live and work in our community. I am thankful to be a part of the Providence Place Family.

Blessings,

*Holly Townsend*

*Executive Director*
