

Embrace the New Year with an open heart & a fierce spirit. Cheers to 2024!

HAPPY NEW YEAR

A Note from the Executive Director

As the new year is upon us -- we are able to reflect on the previous year, the memories we made and what we have to look forward to in 2024. I hope everyone is able to see the changes we have made with our team here at Lancaster to continue to support and provide for your loved ones. We look forward to doing more family events in 2024 to engage and get to know each of you! Thank you to those who came to our last family meeting. Whether there is a planned event or not, we welcome you all anytime with our open-door policy.

In 2024, we also plan to revitalize the outside of the building with a new roof and new shutters. We are hoping to match the vibrancy of inside our building with this small face lift. So, if you see contractors, we are busy making Providence even more beautiful than you could imagine. We look forward to working with each of you this year to come!

Best,

Chelsea Shuey
