A Note from the Executive Director

Pine Grove wants to welcome the New Year in with some exciting changes. Many of our internal projects are completed. The ceiling in the lobby has been enclosed allowing more space for the activities on second floor to use. The dining room has made some changes to the drink station and to the door on the smaller side. The courtyard is completed out back and looks beautiful. Our sign out front will be changing to include our Dedicated Memory Care verbiage. We are currently awaiting the township to come and inspect our locks on the doors now that they are in place.

We will still be offering tours to our sister community in Pottsville for anyone who is interested in looking the campus over for a possible transfer. We are also in the process of hiring a new Dining Director. Sean has accepted the Dining Director position at our sister community in Drums - we all want to wish him the best and let him know how much we will miss him.

We are in the process of hiring part-time receptionists to our team. This way we will have someone at the reception desk until 9pm every day, including weekends. We are also in the process of hiring an Activities Associate for Lori. This will allow the program to be up and running until 7:30pm. There will be more updates as we totally continue this transition.

Please remember all are welcome at the Monthly Dementia Support Group offered at our Pottsville campus.

Cheers to 2024!

Julie Wallace
Executive Director
