

# Focus on Chaplaincy

The New year can bring about new possibilities and a fresh start. I am grateful for the opportunity to return as the chaplain for our Collegeville Inn community, but also overseeing all chaplains as the Spiritual Life Coordinator. One of our main goals this year is to bring awareness and professionalism of chaplaincy to our work, in our communities, listening to our chaplaincy needs and bringing about new ideas. This past year our chaplains together read a book called "Thinking of You", helping us better understand Spiritual life, especially with those living with Dementia. We have also set out to create our own grief care support group program for everyone.

Our New Year theme for 2024 is "Chaplains and Community – Personal Growth and Community Growth", with four pillars in mind: Fulfillment, Influence, Belonging & Shared Emotional Connection. Our chaplains at Providence Place are exceptional, educated, compassionate, and caring individuals, across the board. The goal is to serve everyone better in our communities.

How can we better serve YOU in 2024?

Thank You,

*Dr. Daniel F. Andrews, ThD, Spiritual Life Coordinator*
