

# Focus on Chaplaincy

The New year can bring about new possibilities and a fresh start. This past year went by quickly! I returned to Pennsylvania from my time in Arizona working as a hospice chaplain covering the whole east and west valley of Arizona. It was fun being out there when the Eagles came to town in the Super Bowl. Hospice chaplaincy helped me understand more of the value of people, I met people from all walks of life and faith traditions. It also marked my return to Providence Place Senior Living in March of 2023. I am grateful for the opportunity to return as the chaplain for our Collegeville Inn community, but also take on another role of overseeing all chaplains as the Spiritual Life Coordinator.

One of our main goals this year is to bring awareness and professionalism of chaplaincy to our work, in our communities, listening to our chaplaincy needs and bringing about new ideas. This past year our chaplains together read a book called "Thinking of You", helping us better understand Spiritual life, especially with those living with Dementia. We have also set out to create our own grief care support group program for everyone.

Our New Year theme for 2024 is "Chaplains and Community -- Personal Growth and Community Growth", with four pillars in mind: Fulfillment, Influence, Belonging & Shared Emotional Connection. Our chaplains at Providence Place are exceptional, educated, compassionate, and caring individuals, across the board. The goal is to serve everyone better in our communities. How can we better serve YOU in 2024?

Thank You,

*Dr. Daniel F. Andrews, ThD, Spiritual Life Coordinator*

Q1: February 2024

## A Note from the Executive Director

As the new year is upon us -- we are able to reflect on the previous year, the memories we made and what we have to look forward to in 2024. I hope everyone is able to see the changes we have made with our team here at Lancaster to continue to support and provide for your loved ones. We look forward to doing more family events in 2024 to engage and get to know each of you! Thank you to those who came to our last family meeting. Whether there is a planned event or not, we welcome you all anytime with our open-door policy.

In 2024, we also plan to revitalize the outside of the building with a new roof and new shutters. We are hoping to match the vibrancy of inside our building with this small face lift. So, if you see contractors, we are busy making Providence even more beautiful than you could imagine. We look forward to working with each of you this year to come!

We are hosting a Valentine's Brunch on Sunday, February 11<sup>th</sup>. Please RSVP to reception to reserve a table for families. We will be hosting additional brunch events throughout the year - please stay tuned.

Best,

*Chelsea Shuey*

*Executive Director*
