

Focus on Chaplaincy

The New year can bring about new possibilities and a fresh start. I am grateful for the opportunity to return as the chaplain for our Collegeville Inn community, but also overseeing all chaplains as the Spiritual Life Coordinator. One of our main goals this year is to bring awareness and professionalism of chaplaincy to our work, in our communities, listening to our chaplaincy needs and bringing about new ideas. This past year our chaplains together read a book called "Thinking of You", helping us better understand Spiritual life, especially with those living with Dementia. We have also set out to create our own grief care support group program for everyone.

Our New Year theme for 2024 is "Chaplains and Community – Personal Growth and Community Growth", with four pillars in mind: Fulfillment, Influence, Belonging & Shared Emotional Connection. Our chaplains at Providence Place are exceptional, educated, compassionate, and caring individuals, across the board. The goal is to serve everyone better in our communities.

How can we better serve YOU in 2024?

Thank You,

Dr. Daniel F. Andrews, ThD, Spiritual Life Coordinator

Providence Place SENIOR LIVING News

Q1: February 2024

A Note from the Executive Director

Pine Grove wants to welcome the New Year in with some exciting changes. Many of our internal projects are completed. The ceiling in the lobby has been enclosed allowing more space for the activities on second floor to use. The dining room has made some changes to the drink station and to the door on the smaller side. The courtyard is completed out back and looks beautiful.

We are now officially approved from the township and the state for secure Memory Care.

We will still be offering tours to our sister community in Pottsville for anyone who is interested in looking the campus over for a possible transfer.

We welcome the promotion of Cherokee to our campus Executive Chef/Dining Director - congrats!

Cheers to 2024!

Julie Wallace
