Q1: January 2025

A Note from the Executive Director

As we step into 2025, we want to wish Holly Williamson all the best in her new ventures. We thank Holly for her contributions to the Collegeville community!

Effective January 3rd, myself and Tiffanie Small, our Director of Operations, will take over as Acting Executive Directors of the Collegeville Community. Twanda Eakins, your Director of Nursing, along with Abigail Ferris, your Connections Director, will also assist in making sure that we remain organized and responsive to your needs during this transition.

We remain committed to delivering high quality services in a warm and vibrant community. Please bear with us as we navigate this transition. We promise to find and train an Executive Director who will be a great leader for your community!

Please feel free to contact us with any questions or concerns by calling the community or via email at:
