

Focus on Wellness

We are finally seeing the beautiful signs of Spring and that means getting outside and enjoying the warming weather. Spending time in natural environments can improve your physical and mental health. Some ways we can enjoy these benefits:

- Walking in nature could improve your short-term memory
- Being outdoors has a destressing effect
- Spending time outdoors reduces inflammation & helps eliminate fatigue
- Outdoor experiences may help fight depression and anxiety
- Spending time outside lowers blood pressure

Please enjoy all of our outdoor walking paths and activities. Check your calendar for spring outings!

Providence Place SENIOR LIVING News

Q2: May 2025

A Note from the Executive Director

I am excited to announce two upcoming blessings to the Providence Place family. We would like to welcome Tiffany Pearlman as our new Director of Nursing. Tiffany will be overseeing the wellness of the whole community and will be a physical presence in Assisted Living and in Connections. Over Tiffany's 22 years in health care, she started her career as a Certified Nursing Assistant, Med Tech and then LPN. In most recent years, Tiffany has served as a Director of Nursing in other senior living communities. She also loves to spend time with her husband and children, filling her spare time with reading, walking and her love of fall.

Additionally, I am thrilled to announce Titania "Tonya" Stewart as our new Connections Director. Tonya, as she prefers, is thrilled to join us and is looking forward to meeting the residents, families and co-workers. Tonya has years of experience as a Memory Care Director in senior living with experience in dementia care. Tonya is also a trained Medication Technician and trained Dementia trainer. Tonya not only brings a large knowledge of the industry but hands-on experience of memory care. Tonya's first day will be May 1st and will have a specific onboarding plan in the weeks to follow.

Once Tiffany and Tonya have completed their onboarding training, we will schedule a time for residents and families to meet with them. In the meantime, you are welcome to reach out to me directly or Tiffany Small, our Director of Operations who continues to assist as our Director of Nursing.

Best,

Kellee Silhan
Executive Director
