

June is Alzheimer's and Brain Awareness Month, a time dedicated to raising awareness about Alzheimer's disease and other dementias, as well as promoting brain health.

This month, we come together to support those affected, educate the community, and advocate for more research and resources.

Please join us at your community's Dementia Care Partner Support Group each month.

Providence Place SENIOR LIVING News

Q2: June 2025

A Note from the Executive Director

Thanks to all those who joined us last month to celebrate the 25th anniversary of our community. We celebrated with a re-dedication and ribbon cutting reception that included the Cumberland Valley Business Alliance, David Leader, current and former coworkers and, of course, our residents. The celebration continued into the evening with our family meeting.

Mark your calendars for Wednesday, June 4th for the annual Resident Meeting with David Leader. We would also like everyone to save-the-date of September 10th for our annual family outdoor celebration. More details to come!

Remember to utilize the Ceca nomination forms or online platform to recognize any caregivers or co-workers who you feel are going above and beyond. Information is located in the corridor just off of the first-floor lobby or see a receptionist or manager with questions.

Best,

Holly Townsend
Executive Director
