

June is Alzheimer's and Brain Awareness Month, a time dedicated to raising awareness about Alzheimer's disease and other dementias, as well as promoting brain health.

This month, we come together to support those affected, educate the community, and advocate for more research and resources.

Please join us at your community's Dementia Care Partner Support Group each month.

ALZHEIMER'S AND BRAIN AWARENESS MONTH

Q2: June 2025

A Note from the Executive Director

We are excited to announce some dining room renovations are well under way - please pardon our dust as we expand the space for you! Updates should be complete this summer. We are also excited to host "Chef on Deck" each month to feature our dining team and interactive cooking demonstrations with the community.

As the spring weather arrives, we look forward to getting back outside on the walking path and patios. Check out the activity calendar for our walking club and other outdoor activities

We are taking full advantage of the weather with picnic outings, summer field trips and more - check out the full calendar to join in on the fun.

We are hosting our Spring Family Meeting on Tuesday, June 10th at 6pm - please join us for a conversation about our care offerings with our management team, therapy manager and more.

If you have any questions or concerns, please reach out to me anytime!

Best,

Howard Holben
Executive Director
