

June is Alzheimer's and Brain Awareness Month, a time dedicated to raising awareness about Alzheimer's disease and other dementias, as well as promoting brain health.

This month, we come together to support those affected, educate the community, and advocate for more research and resources.

Please join us at your community's Dementia Care Partner Support Group each month.

A Note from the Executive Director

“ Let your joy burst forth like flowers in the Spring”

Spring is finally here! The residents and staff are already taking full advantage of some nicer weather and heading outside on our walking path and sitting on our deck.

We have some lovely events coming up to celebrate the season as we approach Summer. We will be hosting our annual Summer Picnic on June 21st from 2-5pm - all are welcome! We will also be hosting our bi-annual resident meeting with David Leader on June 25th at 3pm.

Thank you to everyone who has reached out while I am recovering from surgery. Our awesome team has stepped up to make sure the community is running smoothly.

As always, thank you to all our staff, residents and families for your continued support. Please never hesitate to reach out with any questions.

Missie Jacoby
Executive Director
