Q3: September 2025

A Note from the Executive Director

We are excited to be hosting National Assisted Living Week at our communities this month! We will be enjoying "Ageless Adventures" with special activities and meals from September 7th- 13th. Check out the calendar for details.

As we wrap up summer, we know cold + flu season is just around the corner. We will be hosting our annual vaccine clinic on October 23rd (11am-2pm). Please review + submit you or your loved ones consent forms asap for participation.

The campus is looking and feeling great - we have finished the hallway carpeting update and will be doing the community room starting 9/2.

For those interested or in need of Positive Approach to Care (PAC) training, we have classes available on 9/15 and 9/22 (12p-5p). Team, family and friends are all welcome to participate for helping care for persons living with dementia.

Blessings,

Cynthia Martin
Executive Director
