Focus on Wellness

As we step into Fall, the shorter days and cooler temperatures can sometimes lead to feelings of sadness or loneliness. Take this time to find ways to focus on your own wellness by staying connected to your community and loved ones through the following:

- Reflect on your own needs
- Reach out to family members you don't see often
- Join a club or hobby group at your community and make time for activities you enjoy
- Enjoy local, seasonal produce in our dining programs
- Volunteer your time to give back

Check your activities calendar and highlight items of interest to you - and feel free to invite your friends & family to join!
