Providence Place SENIOR LIVING News

Q4: November 2025

A Note from the Executive Director

As the leaves are changing all around our community, we are excited to also usher in the holiday season and some changes within our campus.

In an effort to lead our Memory Care and Dementia programming for Providence Place, I am excited to head back to our Pine Grove community, which is dedicated Memory Care. As the Executive Director there, I will be working to evolve our care, training and offerings for persons living with dementia.

It has been an honor leading this community for the past two years, but I am excited to pass the torch along to Missie Jacoby. She comes from our Drums (Hazleton) community as their Executive Director, and she will be a great addition to this team. **Please join us on 11/20 @ 6pm for a community meeting to meet + greet with Missie.**

Thank you to everyone who participated in our resident + family survey, your feedback and input is extremely helpful in continuing to improve our community and offerings.

Offering everyone blessings and my gratitude for this Thanksgiving season,

Julie Wallace
Executive Director
