Providence Place SENIOR LIVING News

Q1: January 2026

A Note from the Executive Director

HAPPY 2026!

Thank you to everyone who joined us in the community over the holiday season - it was truly festive for all!

In the new year, we are welcoming a new format to our weekly Executive Director letter. As many of you may recall, the goal of the letter is to ensure all families and residents are on the same page with happenings, updates and communications within the community. This letter is posted in the community for residents and sent to the primary family contact. From there, you are willing to share with whoever you see fit. While evaluating recent feedback, we will be moving this letter to every other week format.

You will notice that we will include each month some consistent information: Managers names/titles (cards/contact info is always available at the front desk), Community updates, Co-Worker Highlights and Education/Resources. Based off your feedback we have recognized that this format and information may continue to serve you better.

Wishing everyone the best in 2026 and thank you for your continued partnership,

Kellee Silhan
Executive Director
