### A Note from the Executive Director

Building a community takes time and we are excited to share some updates on our staffing. On the welcome boards outside of the Connections wellness office and the front desk, you can see welcome flyers for all new coworkers. We are also highlighting whole departments, and previously highlighted teams are posted on a board outside of the Wellness Office.

We are most excited about a new offering called *The Welcome Brew*. Residents can join us on select Monday mornings to meet our new hire class, share a cup of coffee, give them a welcome gift and watch a video about *Building Community* together. What a great opportunity for our residents to meet our new coworkers firsthand and build relationships starting on day one!

Thank you to the Connections families and friends for joining us in January for our Sunday Brunch. It was great to ensure our Memory Care residents also enjoy this community offering.

Family and friends are welcome to join us for our Super Bowl Party & viewing on Sunday, February 8th in the main Pub. We will also be hosting our Providence Place Winter Senior Olympics throughout February (2/5-2/19) - which will be a great time! Check out the activity calendar for details.

Please be sure to keep an eye out for the bi-weekly Executive Director update with more news, team highlights and other resources for our residents, families and friends in Collegeville.

Best,

*Kellee Silhan*  
Executive Director
