## *A Note from the Executive Director*

As we continue to usher in the new year, it has been a great time for our community to continue to build on our growth. We are so grateful for the residents, families and teams who became a part of our Providence Place family in 2025.

As we develop, I am making a shift here at our campus to focus on the care of our residents as the Director of Nursing. This is a focus I feel most passionate about and where I originally joined the organization. Moving forward, I will be leading our care in Lancaster and our Director of Operations, Emily Taylor, will be stepping in as our Interim Executive Director. Please stop in to say hi and reach out with any questions or concerns.

I also wanted to remind everyone about the start of our Welcome Committee and a Library Club -- creating new opportunities for connection and engagement.

For those living with dementia or who have a family member or friend living with dementia, please join us for our Monthly Support Group. We will host on 2/18 @ 1pm this month and all are welcome for education + community.

With light and love,

*Janet Love & Emily Taylor*

*Director of Nursing    Interim Executive Director*
