

Celebrating Earth Day!

Protecting the Earth is a global initiative and everyone plays a role in these efforts. Together, we can leave a better world for future generations! **April 22nd is Earth Day!** You may wonder, what can I do to help? Just remember the three R's - *Reduce, Reuse and Recycle!*

When you choose reusable items over the alternative, disposable options (one-use), you help reduce waste and the amount of trash going into landfills. It can take up to 450 years for some plastics to break down! Planting trees is also a great way to help.

You can make a difference, get involved today!

Resident Birthdays

Providence Place SENIOR LIVING News

Q2: April 2026

A Note from the Executive Director

I had a lot of fun last Saturday playing the part of the Easter Bunny for our annual Egg-stravaganza. There were a lot of smiles on the faces of the children as well as our residents. I hope everyone has a blessed Easter holiday.

Mark your calendars for Thursday, **April 23rd** at 6pm - we will be hosting a seminar on **Fraud & Scam Prevention** presented by the Pennsylvania Office of the Attorney General. Join us for an engaging and informative seminar to learn the latest information about scams, fraud tactics, and identity theft protection. We strongly encourage our residents, families and friends to come out and learn more about this important topic.

Please reference the salon or our RentCafe portal for an updated Salon menu and pricing starting in May.

Warm Wishes,

Holly Townsend
Executive Director
