

Celebrating Earth Day!

Protecting the Earth is a global initiative and everyone plays a role in these efforts. Together, we can leave a better world for future generations! **April 22nd is Earth Day!** You may wonder, what can I do to help? Just remember the three R's - *Reduce, Reuse and Recycle!*

When you choose reusable items over the alternative, disposable options (one-use), you help reduce waste and the amount of trash going into landfills. It can take up to 450 years for some plastics to break down! Planting trees is also a great way to help.

You can make a difference, get involved today!

Q2: April 2026

A Note from the Executive Director

Welcome Spring!

As the weather warms, we are excited to get out and about and enjoy our creekfront patio and walkways! With Earth Day projects on the calendar, be sure to check out all the activity offerings and get some time outdoors.

Thank you to all the families that joined us for our Easter Egg Hunt and Connections Brunch - it is great to see such fun with families and friends in the community. Stay tuned for upcoming Brunch offerings.

As always, if you have questions or concerns, please reach out anytime and we look forward to a fantastic spring.

Best,

Kellee Silhan
Executive Director
