

Celebrating Earth Day!

Protecting the Earth is a global initiative and everyone plays a role in these efforts. Together, we can leave a better world for future generations! **April 22nd is Earth Day!** You may wonder, what can I do to help? Just remember the three R's - *Reduce, Reuse and Recycle!*

When you choose reusable items over the alternative, disposable options (one-use), you help reduce waste and the amount of trash going into landfills. It can take up to 450 years for some plastics to break down! Planting trees is also a great way to help.

You can make a difference, get involved today!

A Note from the Executive Director

Happy Spring!

Thank you to everyone who joined us for our annual Easter Egg Hunt - it was a great time.

We are pleased to welcome Melissa Jentsch as our new Connections Director. She has been with our community for 11+ years and is excited to step into this new role. Connections families are welcome to join us for our Italian Family Dinner night on 4/15. We also wish Cathryn Tyson all the best as she embarks on her new role as the Executive Director in our Lancaster community.

Our next **Sunday Brunch** event will be hosted on **April 19th** - please call reception to reserve a spot with your loved ones!

Spring temperatures mean the patio is open for use, and I hope to see all of you outside soaking up some sun. Don't forget the sunscreen!

Best,

Howard Holben
Executive Director
