

June is Alzheimer's and Brain Awareness Month, a time dedicated to raising awareness about Alzheimer's disease and other dementias, as well as promoting brain health.

This month, we come together to support those affected, educate the community, and advocate for more research and resources.

Please join us at your community's Dementia Care Partner Support Group each month.

Q2: June 2026

### *A Note from the Executive Director*

Thank you to everyone who joined us for our Mother's Day and Memorial Day festivities in May - it was great to celebrate and we are excited to continue in June with Father's Day.

We will be hosting Donuts for Dad, a Father's Day Lunch and a Root Beer Social on June 21st - please check the schedule to visit with your loved ones.

With the warmer weather, please enjoy the walking paths and outdoor areas. We will also be hosting plenty of off-campus outings to enjoy nature, including a fishing trip on 6/23 - stay tuned for opportunities.

As always, if you have questions or concerns, please reach out anytime.

Cheers to Summer,

*Holly Townsend*  
Executive Director
