

June is Alzheimer's and Brain Awareness Month, a time dedicated to raising awareness about Alzheimer's disease and other dementias, as well as promoting brain health.

This month, we come together to support those affected, educate the community, and advocate for more research and resources.

Please join us at your community's Dementia Care Partner Support Group each month.

A Note from the Executive Director

Welcome June!

Tania, our Connections Director, is bringing back our Dementia Caregiver Support Group and would love to see you there. This group is open to the greater community and is an opportunity to better understand Alzheimer's and Dementia and connect with others who have walked in your shoes. We find that having a supportive environment to share about your loved one and become more educated on what they are facing, can help you as caregiver and loved one. Check out signs in the community to see when the next support group will be hosted.

Electronic Billing is here - monthly statements will be emailed directly and as always, found in RentCafe .

We are starting to celebrate AMERICA's #250. Watch for ways in which we will be celebrating, starting with red, white and blue gardens. Our FAMILY FUN night will be hosted on Jun e19th - please join us!

Please see June billing for updates to our Exhibit A (auxillary charges). As we upgrade wifi capabilities and individuals shift to streaming services, we will shift our Phone, cable and wifi to one monthly tech access fee. Guest meals and meal delivery have also changed, please see details in your RentCafe portal or monthly billing.

Cheers to summer,

Kellee Silhan
Executive Director
