A Note from the Executive Director

Welcome July!

Just a reminder that electronic billing is now available- monthly statements will be emailed directly and as always, found in RentCafe.

We are making some shifts within our community to better serve you, our residents. Occupational and physical therapy is an important offering and we are making it more accessible and larger for everyone. PowerBack will be moving to the salon area in the front lobby this month with more space and easier access!

We have shifted the salon next door to the old theater space so you still have easy access to these weekly offerings as well. We are aware the theater is a popular spot and are making sure we still have this space available in the community - please join me at our Community Meeting on the 16th to chat more about what you'd like to see in the campus!

If you have any questions or concerns, please come visit or call anytime.

Cheers to summer,

Kellee Silhan
Executive Director
