Providence Place SENIOR LIVING News

Q4: November 2026

A Note From The Executive Director

As we enter November, I want to emphasize the importance of open communication and coordination of care at Providence Place Senior Living. Working together helps ensure our residents receive consistent, compassionate support.

For day-to-day questions, please reach out to our LPNs and Shift Leads. Theresa, our Director of Nursing, and Tania, our Connections Director, are available to discuss care plans, changes in needs, and family meetings. If your loved one is in the hospital or rehabilitation, Morgan, our Director of Sales, may also reach out to help coordinate their return.

If your loved one is preparing to return to our community, please notify our team as soon as possible, preferably 24 hours in advance. This allows us to coordinate pharmacy services, referrals, assessments, and any necessary equipment to support a smooth transition.

We are here to help every step of the way. Thank you for your trust and partnership. By keeping the lines of communication open, we can continue to provide the best possible care for your loved one.

Executive Director
