Providence Place SENIOR LIVING News

Q4: November 2026

A Note From The Executive Director

As we welcome November and look forward to the Thanksgiving season, we have a few community updates and reminders to share with you.

Our window replacement project is nearly complete, and we appreciate everyone's patience and understanding as we work to continue improving our community.

Thank you to everyone who participated in our recent flu clinic! If your loved one is scheduled to receive a flu or COVID-19 vaccine outside of our community, please notify our Nursing Team so we can keep their records up to date.

As you make your **Thanksgiving** plans, *please remember to notify nursing at least 72 hours in advance if you plan to take your loved one home for the holiday*. This will allow our team to ensure they have an adequate supply of medication for their time away.

If you plan to celebrate Thanksgiving with us here at the community, please RSVP with Reception by November 20th.

We are grateful for the trust you place in us and for the wonderful families who make our community so special. From our Providence Place family to yours, we wish you a warm, happy, and healthy Thanksgiving!

Missie Jacoby
Executive Director
